## TRIA LUNA SINGLE PENDANT

### DESIGN:

The Tria Luna pendant features a softly rounded shade of frosted slumped glass that diffuses light into a warm, even glow. A hand-hammered bronze ring encircles the glass, creating a textured, grounding form with a rich patina, while the glass appears to float lightly within it. The bronze is poured and finished in-house at Hilliard Lamps, celebrating the craft and character of each piece.

### FINISH SHOWN:

Hammered Antique Bronze Ring & Clear Frosted Glass
